

# Washing Powder

## INGREDIENTS:

1 bar natural soap, finely grated

(Dr Bronner's or Weleda for example)

1 cup of washing soda

(Lectric Sodac can purchase at the supermarket)

1/2 cup salt

1/4 cup citric acid

20 - 25 drops of essential oil

(great scents are lemon or eucalyptus)

## METHOD:

Add all ingredients into a large mixing bowl and stir well to combine. Store in an air tight container.

Use as you would regular washing powder.
